Rental Return Expectations

As part of the Pre-Delivery Inspection on rental units, Bell Camper Sales performs the following:

- Fills the Gasoline Tank
- Cleans the interior and exterior of vehicle (in colder times of the year, the exterior is not washed)
- Fills the propane tanks
- Inspects all appliances for proper operation
- Fills the water tank (in colder times of the year, the tank will not be filled)

Rental Return Expectation

****If you have purchased the Drop & Go option, you are not required to clean the interior or exterior of the RV. You are required to remove all trash, empty compartments & cabinets of personal belongings & fill the gas tank****

1. Please sweep the floors and wipe down the sinks, counters, and bathroom area.
2. Be sure to check all compartments/cabinets for your belongings – We only hold items left in the RV for 2 weeks.
3. Fill the gasoline tank – There is a Phillips gas station half a mile south of Bell Camper Sales that is an easy place to fill.
 - a) If you fill the tank at a station near your house, there is a good chance the tank will not be full by the time you reach our location and cause a top off charge on return.
 - b) Please make sure the tank is full. Be aware that most gas pumps have designated shut offs at certain dollar amounts. You may need to restart fueling.
4. You do not need to refill the propane tank.
5. You do not need to refill the water tank.
6. Please wash the front of the vehicle to eliminate most of the bugs. (We understand you will not be able to clean all the bugs off)
7. Throw away all trash
 - a) Be sure to bring trash bags with you on your trip.
 - b) Check refrigerator and freezer for food or ice.
 - c) Pick up toilet paper rolls, soap for bathroom/shower.
 - d) Check driver's area and cup holders.
8. Remember to dump the gray and black tanks before returning your rental. After dumping the tanks you will need to fill them up with freshwater several times and re-dump them to flush them out.
 - a) If you don't have a dump site where you are camping you can dump at our onsite campground (Bell RV Village) for a fee of \$5.00.
9. Remember to bring back all of the following or you will be charged for it from our parts department
 - a) Extension Cord
 - b) Shore Power Cord
 - c) 30/15 Amp Adapter
 - d) Water Pressure Regulator
 - e) Water Hose
 - f) Sewer Hose
 - g) Sewer Adapter
 - h) Quick Link Levelers
 - i) Remote Braking Controller (if rented)
 - j) Stabilizer Jack Crank
 - k) All Parts of the 4-Point Hitch
